**Alterations to the Car Park**

Thankfully the works to the first phase of the new Oakham School building is coming to an end and therefore our car park resurface and the additional parking spaces should be completed, dependent on the weather, shortly. In order to complete the car park with the slight alteration to the driveway, the cherry tree will be removed and the smaller tree will be relocated. A replacement cherry tree will be planted in due course. The PCC are very grateful for the tolerance and forbearance of our parishioners for what has been, at times, a very trying situation. Fortunately, Oakham School will not require access to our car park for phase 2 of their building works.

Please feel free to contact me on [saraharcher46@btinternet.com](mailto:saraharcher46@btinternet.com) if you have any further questions.
