The month of May is dedicated to Our Lady: As Pope Paul VI declared, 'in this month moving tribute of faith and love is given by Catholics in every part of the world to the Oueen of Heaven During this month Christians, both in church and in the privacy of						
by Catholics in every part of the world to the Queen of Heaven. During this month Christians, both in church and in the privacy of the home, offer up to Mary from their hearts an especially fervent and loving homage of prayer and veneration. In this month, too,						
the benefits of God's mercy come down to us from her throne in greater abundance'. (Paul VI: Encyclical on the Month of May).						
Perhaps you might consider taking up praying a daily rosary if you do not do so already?						
PLEASE NOTE: We have had a number of complaints concerning the amount of noise after Holy Mass – Shhhhhh						
Please be aware when leaving the Church, you do it quietly as others are still praying. We encourage you to chat with others but please do so <b>once you are outside of the main body of the Church</b> so that you won't disturb anyone. Many thanks for your						
cooperation.
